Receive Valuable Information About Israel

Our members receive valuable information about important events in the Knesset and on the front lines. You'll be updated through our Action Alert system, by newsletter and email. Many Bible Believers want to know how to pray for Israel and many want to know what they can do to make a difference when they come to visit or live in Israel.

With your membership you are a part of a worldwide grass roots organization with a voice in Israel influencing leaders to return to Biblical Zionism. Together we are changing the direction for a brighter future.
